

Horse Behaviour Checklist

Upchurch Stables

Welcome to Upchurch Stables and we thank you for choosing to have your horse at our livery yard.

We will always treat your horse as if it was our own with a high level of care; however we need your help by telling us how your horse behaves in different situations, and if it has any vices.

Please indicate to the best of your knowledge if your horse's behaviour includes:-

	YES	NO	NOT KNOWN
REAR			
BITE			
CHEW WOOD			
BOLSHYNESS			
KICK OUT			
BOULT			

Please indicate how you would describe your horse's behaviour to:-

BEHAVIOUR WITH A RUG CHANGE

If a horse becomes dangerous or we find your advice provided above is not accurate, we may withdraw our services for our own safety.
